

The world's first  
live-action table-top  
cricket game.

Crafted to the highest standards, ThrowMotion's game tables are made with premium quality materials with a high durability finish. Each game unit is connected to ThrowMotion Cloud Services through Wifi and comes with an integrated 7" mobile tablet and multi-axis batsman and bowler controls.

These game units are ideal for use in corporate game rooms, other social venues and homes.

## Testimonials

“I absolutely love the ThrowMotion cricket table at Google. Whenever I give a visitor a tour of Google, I make sure to stop by B43 and get them to play a game... The game is perfect for the quick afternoon break at work to enjoy with your colleagues!”  
- Operations and System Specialist, Mtn View, CA

“This is one awesome game you and your team have developed. We are addicted to it!!”  
- Member of the Technical Staff, Sunnyvale, CA

“It's changing the way people play ball games (Cricket + Baseball) - a new paradigm that brings physical & digital gaming worlds together.”  
- CTO Vertical Systems BU, San Jose, CA

“A great idea to engage Cricket fans, very unique & novel with an excellent gameplay experience... ThrowMotion is a must try for all cricket lovers!”  
-Marketing Manager, Dubai, UAE

“The best of video games, Foosball, Billiards, pinball all rolled into a new game experience!”  
- User at Plug and Play, Sunnyvale, Ca

## Customers Include

# ThrowMotion®

Live Action Table Cricket

“ Its got the physicality of foosball, and a generous dose of technology and cricket. ”

“ As realistic as cricket gaming can be... ”

“ The Cricket lovers alternative to the ubiquitous foosball! ”

“ ...Live cricket gaming action in a format that's a curious mix of T20 Cricket and foosball. ”

“ ...Rocket Science Takes Real Life Gaming to the Next Level. ”
